

Directions to Ruthern Valley Holidays

Sat Nav does not find us very well, please follow our directions to avoid the small lanes!

From the North

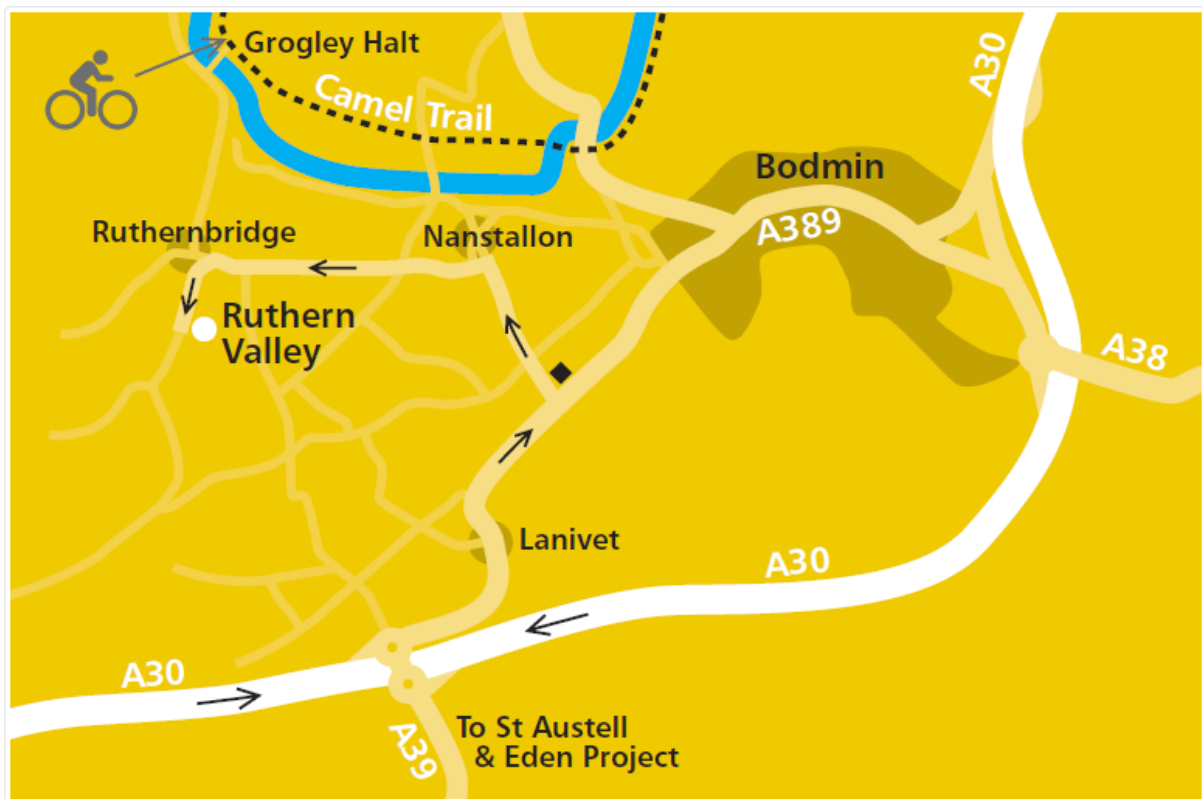

Down the A30 past Bodmin to Innis Downs roundabout signed for St Austell.

Take the slip road off the A30 and turn right at the first roundabout taking you back over the A30 to the next roundabout. Take the second exit off the roundabout signed for Lanivet (A389).

From the South

Travelling up the A30 leave at the St Austell exit, at the roundabout take the second exit off the roundabout signed for Lanivet (A389).

Keep going through Lanivet up the hill until you see a building on the left and our brown chalets sign, turn left immediately before the building, signed for Nanstallon. Before the village of Nanstallon take the left signed for Ruthernbridge (Chalets) and then left again over the small bridge continue for approximately 2 miles, immediately before the stone bridge in Ruthernbridge turn left - the site is approximately 200m on the left.
